

## Meet Debby Hudson!

I became a volunteer *CASA* in 1994 and, for the past 27 years, have continued to be involved with this incredible program in various ways. Over the past 26 years (with a few breaks in between) I have served on the Board of Directors of Friends of Alaska's Children in Care as a board member, its Secretary, and its Treasurer. In 1996, I organized the first annual silent quilt auction and have, with tons of help, continued to organize the event for the past 24 years. I consider it to be both an honor and a privilege.

In my spare time, I enjoy quilting, cooking, reading, traveling and spending time with my family and friends.
