

RUDISILL SCHOLARSHIP APPLICATION

Applications are accepted on a rolling basis and are awarded as funding allows.

This scholarship, up to \$1,000 per youth per fiscal year, is for current Alaskan public high school, vocational, trade, college, or university students who are in state or Tribal custody. The funds can be used for student housing, books, and/or tuition for any Alaska domiciled vocational course, trade school, college, or university.

Scholarship applicants must provide:

1. The name and address of the vocational or trade school, college, or university the student wants to attend or is currently attending
2. The total amount of funding requested and an itemization of how the money will be used (tuition, housing, books, etc.)
3. A letter telling FACC how the money will make a difference in the student's life.
4. A letter of recommendation from one of the student's teachers, counselors, GAL, Tribal rep, CASA, or OCS case worker.
5. Acceptance letter, enrollment confirmation, or other form of documentation from the vocational or trade school, college, or university.

Awards will be based, in part, on completeness of the application and the committee's assessment of probability of academic success.
