

## Meet Treasurer Sheila King!

I first heard of Friends of Alaska's Children in Care (under its former name) when I was in CASA training in early 2017. Shortly after training, I was assigned to a young man close to graduating. I applied for a mini grant, which was awarded, to pay for professional graduation photos, as there were no other funds available for this. The significance of that mini grant in his life has remained with me and prompted me to want to be a part of this organization. I am honored to be part of FACC since 2021.

I'm originally from Iowa, but Alaska has been my home since 1991. Blueberries have surpassed sweet corn as a favorite food, and "Alaskan Grown" has added brussel sprouts to my veggie list. I enjoy all seasons in this beautiful State with family and friends, as well as board games, cards, and most things outdoors such as hiking, biking, cross-country skiing, the zoo, etc.

I am a licensed Certified Public Accountant in Alaska since 1995 and am the Chief Financial Officer for Alaska Pacific University.
